

“Welcome to Football”

How does professional football support refugees in Germany?

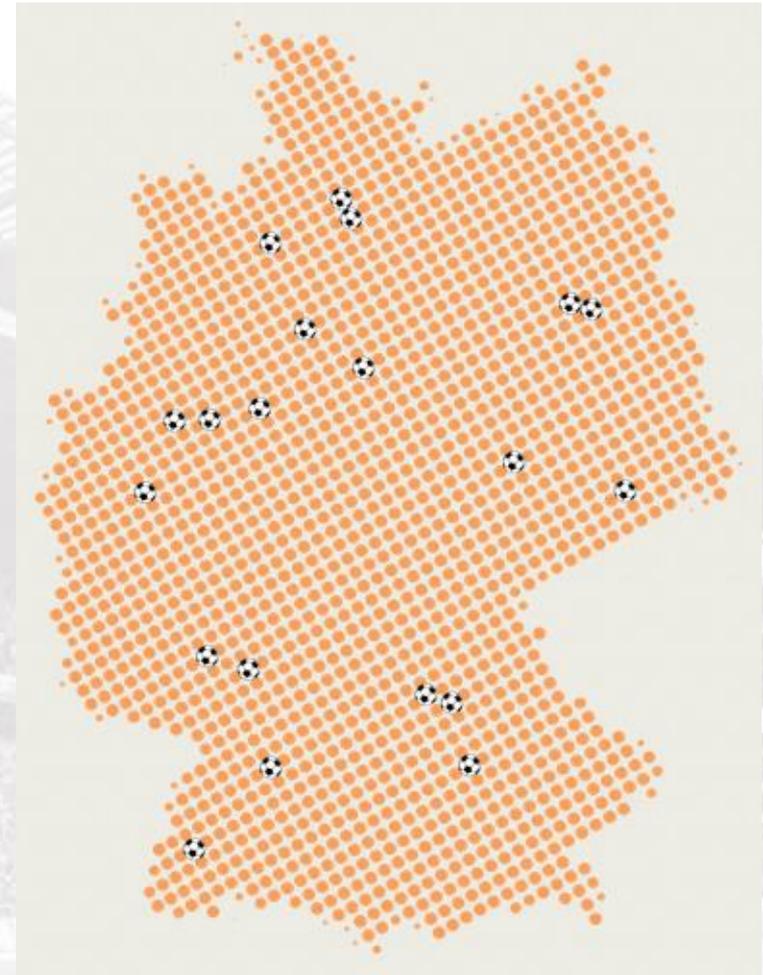

„Welcome to football“

- easily accessible sport and training opportunities for young refugees
- Social inclusion through sport
- Taking a stand publicly on welcoming refugees

Welcome alliances

- Collaboration between Bundesliga and Bundesliga 2 football clubs with local education providers, civic initiatives, local actors and amateur clubs
- More than 20 welcome alliances with approx. 80 local partners offer trainings, languages courses, qualification to become coach,...

SPIEL RAUM

BLEIB AM BALL

„Welcome to Football“ using the example of
Werder Bremen

Concept

Components

Levels

Socialisation to sports

Main goal: Participation in football

Open trainings for minor refugees in Bremen

We separate in offers for kids under 15, minors over 15 and girls

The offers can be a first solid contact inside a constantly changing social surrounding

Coaches are able to interfere appropriate to interest and sports level of the minor refugees

Socialisation

Coaches Team

Our work with refugees in figures

In the last season 2015/2016 we supervised weekly

70

minor refugees in own football offers from Werder Bremen,

in special offers of our alliance partners there were additionally

70

minor refugees.

Furthermore we mentored during the SPIELRAUM

65

kids with refugee background in four districts of Bremen.

Thru tournaments, job fairs, extra events and the expenditure of more than

1/4

of overall free tickets for refugees...

...in the season 2015/16 we had more than

6.300

contacts to refugees!

WIR SIND WERDER - WIR SIND ANDERS!
